

SEPTEMBER NEWSLETTER!

Hi Everyone!

Sorry this news came a little late. Gosh, it's mid-September! A lot of positive things happenings for me and I hope for all of you too. I will be having a workshop on September 14th. It is called "Ridding Yourself of Spiritual Blocks." This is a great workshop back by popular demand. There is also a tape of this so that you can continue this process. Please check my website: www.toriallah.com.

Sunday, September 21st, I will be at Griffith Park for the International Peace Day. I will be there doing readings from 11am to 4pm. It will be held near the carousel area and hosted by Pierce Brosnan and his wife, Keely. Please come out to join us in supporting this charity event. Lots of film stars will be there. I will be in the Zen center. Stop by get a reading and maybe you might meet a star!

From September 26th through September 29th, I will be cruising to Mexico on the Royal Caribbean with some of my students and clients. It is a Spiritual/Psychic cruise. We will all come back 'bumped up' refreshed and relaxed. Those that bought tickets to cruise with me... hold onto your seats – we will have fun while working on ourselves too!!

"America's Psychic Challenge" will be viewed in Asia by AXN Beyond cable channel. AXN is owned by SONY. They have emailed me wanting some photos. WOW! I was impressed!
